Board of Elections to Post Informative Redistricting Series

HAMILTON, OH: As the 2022 Primary Election approaches, the Butler County Board of Elections wants to inform its residents on redistricting protocol. New Congressional and General Assembly districts will be in place for the May 3, 2022 Primary Election.

“It is important for voters to understand the significance of redistricting and how it affects their representation in the state and federal legislature and that we have a process that allows voters to have a say who represents them in the state and federal legislative branch and what has resulted from the reforms voters overwhelmingly passed in 2015,” said Deputy Director Eric Corbin.

On Wednesday, February 16, 2022 the Board of Elections will begin to add informational posts on [Facebook](#), [Instagram](#), and [Twitter](#) to inform the public about redistricting. Some of the included topics will be:

- What is a district?
- What are my districts?
- What races have new districts?

Follow the Board of Elections social media accounts to stay up-to-date with this redistricting series and other election - related news throughout the year.
